

City of Cortland, NY -

RFQ for the Northeast Gateway Enhancement Project

The City of Cortland, Cortland County, New York has issued a Request For Qualifications for its Northeast Gateway and Clinton Avenue Corridor Enhancement Initiative. The City is seeking a qualified and innovative designer/design team to facilitate a public design charrette and to develop conceptual plans to address deficiencies at its major gateway. This project is being managed by the City's community development consultant, Thoma Development Consultants. Complete copies of the RFQ can be requested by emailing rich@thomadevelopment.com. The closure date for this RFQ is February 29, 2012.
